ONLINE COURSE CERTIFICATES

Every entry links to its verifiable statement of accomplishment.

Completed — DataCamp

Deep Learning in Python Skill Track · [View certificate](#)

CONSTITUENT COURSES

- Introduction to Deep Learning with PyTorch · [View certificate](#)
- Intermediate Deep Learning with PyTorch · [View certificate](#)
- Deep Learning for Images with PyTorch · [View certificate](#)
- Deep Learning for Text with PyTorch · [View certificate](#)
- Transformer Models with PyTorch · [View certificate](#)

Claude 101 Course · [View certificate](#)

Completed — Udemy

Multimodal RAG: AI Search & Recommender Systems with GPT-4 · [View certificate](#)

Neo4j: Cypher, GDS, GraphQL, LLM, Knowledge Graphs for RAG · [View certificate](#)

Machine Learning: Natural Language Processing (V2) · [View certificate](#)

In Progress — DataCamp

Tracks not yet complete. Courses finished within each track are certified individually and listed below.

Associate AI Engineer for Data Scientists Career Track · *in progress*

COMPLETED COURSES SO FAR

- Supervised Learning with scikit-learn · [View certificate](#)

Time Series in Python Skill Track · *in progress*

COMPLETED COURSES SO FAR

- Time Series Analysis in Python · [View certificate](#)
- Manipulating Time Series Data in Python · [View certificate](#)
- Visualizing Time Series Data in Python · [View certificate](#)
